

THE INTERNATIONAL COLLEGE OF NEUROPSYCHOPHARMACOLOGY

CINP Pioneers in Psychopharmacology Award

The Award is given at each Congress to three individuals to honor those who have made major contributions to the field as it has developed. The contributions may be in research, clinical, or administrative areas but must be internationally recognized as significant to the growth of the field. Pioneer Awardees receive round trip economy air travel and accommodation at the 30th CINP World Congress in Seoul, Republic of Korea, paid registration fees and appropriate recognition at the meeting.
