

The CINP Industry Advisory Board (IAB) ensures a continuous communication between CINP and long-standing industry partners to support the neuropsychopharmacology community and to recognize these partners as CINP affiliates. CINP actively supports the industry partners in the development of new technologies and standards that are responsive to the constant changes in the environment of neuropharmacology.

1. Mission

To provide the CINP Executive Committee valuable input on product innovation for the benefit of members and to identify industry trends that will position CINP to meet the future challenges of its partners and organization.

2. Benefits of IAB Membership

- Two individual CINP memberships for company representatives (value of USD \$300)
- Direct communication with CINP Executive Committee, Conference Organizers and Association Manager
- IAB representatives attending CINP World Congresses are invited to attend the Congress Dinner
- Logo display at the CINP World Congress with all IAB members
- Logo display on monthly CINP Message from the President/Neurotransmitter
- Logo display on CINP website

3. Eligibility and Dues

- Product/service distributors/manufacturers related to neuropsychopharmacology
- Payment of annual dues USD \$5,000 USD.

4. IAB Leadership and Composition

- Two elected IAB representatives. The term for co-chairs is two years.
- Two representatives per IAB member company (one from science and one from marketing.)

5. IAB Meetings

- IAB meeting at CINP World Congresses to discuss latest developments which will be attended by the CINP Executive Committee.

6. How to Join

Complete the attached form and return to CINP, you will then be invoiced. If you have questions regarding your company's involvement, please contact the CINP Head Office (info@cinp.org).

7. Company Representatives

Member companies have two representatives, one from Marketing and one from Science, who are eligible to receive an individual CINP membership for one year.
